All Industrial Division Branch Chiefs

25 October 1956

Acting Chief, Industrial Division

Project 10.1531

- 1. This office has received inquiries on the status of this project and the recent "general terms of reference..." from A/F.
- 2. St/PR was informed of these inquiries and notified us that only two D/I branches are formally committed to this project. These two are I/MM and I/CI.

3. St/PR has urged, however, that all branches which have analysts who do research on Communist China should contact Mr. (Ex-3394, A/F) to determine whether some informal contribution can be made to the project.
